Do you have any publishing experience / or have you authored any papers or articles?	Yes	No

Expectations of Editorial Committee:

- Support the SLTC Honorary Editor to ensure the robustness of papers submitted for publication in the Journal of the Society of Leather Technologists and Chemists (JSLTC)
- Voluntarily review approximately 4-6 papers per year, dependent upon subject matter submissions from authors
- Liaise with other members of the editorial committee as appropriate
- Attend Journal sub-committee meetings (no more than 4 per year) as required
